Bio-Zyme Pouches

Safety Data Sheet

SECTION 1: Product and company identification

Product name	3	Bio-Zyme Pouches
Use of the substance/mixture		Bacterial digestant
Product code	1	0502
Company	:	Essence Chemicat Co. LLC PO BOX 656 Saint Peters, Mo. 63376 636-685-0132
Emergency number	1	

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

Classification (GHS-US)

Not classified

2.2. Label elements

GHS-US labeling

No labeling applicable

2.3. Other hazards

No additional information available

2.4. Unknown acute toxicity (GHS US)

Not applicable

SECTION 3: Composition/information on ingredients

3.1. Substance

Not applicable

Full text of H-phrases: see section 16

3.2. Mixture

SECTION 4: First aid meas	ures		
4.1. Description of first aid mea	SURES		
First-aid measures general	: If you feel unwell, seek medical advice (sho	w the label where possible).	
First-aid measures after inhalation	Remove the victim into fresh air.		
First-aid measures after skin contact	t Finse skin with water/shower.		
First-aid measures after eye contac	 Rinse immediately with plenty of water. Ren rinsing. 	nove contact lenses, if present and easy to do	o. Continue
First-aid measures after ingestion	; Rinse mouth with water. Do NOT induce vo	miting.	
4.2. Most Important symptoms	and effects, both acute and delayed		
Symptoms/injuries	Not expected to present a significant hazard	d under anticipated conditions of normal use.	
Symptoms/injuries after inhalation	None under normal use.		
Symptoms/injuries after skin contac	Contact during a long period may cause light	nt irritation.	
Symptoms/injuries after eye contac	Direct contact with the eyes is likely irritating	9.	
Symptoms/injuries after ingestion	: Gastrointestinal complaints.		
4.3. Indication of any immediate	medical attention and special treatment needed		
Treat symptomatically.			
SECTION 5: Firefighting m	easures		
5.1. Extinguishing media			
Suitable extinguishing media	: All extinguishing media allowed.		
	n the substance or mixture		
No additional information available			
Date of issue: 8/17/2017	Revision date: 05/08/2015 Version: 1.1	P GHS SDS	Page 1 of 4

Bio-Zyme Pouches Safety Data Sheet

Firefighting instructions Exercise caution when fighting any chemical fire. Use water spray or tog for cooling exposed containers. Take account of environmentally hazardous frefighting water. Protection during firefighting :Do not enter fire area without proper protective equipment, including respiratory protection. SECTION 6: Accidental release measures :Isolate from fire, if possible, without unnecessary risk. 6.1. Personal precautions, protective equipment and emergency procedures :General measures Center in measures :Isolate from fire, if possible, without unnecessary risk. 6.1. For one-emergency personnel Protective equipment Protective equipment : Evacuate unnecessary personnel. Avoid contact with skin, eyes and clothing. Ventilate spillage are 6.1.2. For emergency procedures : Evacuate unnecessary personnel. Avoid contact with skin, eyes and clothing. Ventilate spillage are 6.2. Environmental precautions : Equip cleanup crew with proper protection. No additional information available : This material and its container must be disposed of in a safe way, and as per local legislation. 8.4. Reference to other sections No additional information available Storage conditions for safe handling : Comply with the legal requirements. Do not handle until all safety precautions have been read and understood. Use personal protective equipment as required. Do not est, finds and when using this product. Do not get in eyes, on skin, or on clothing.	5.3. Advice for firefighters
containers. Take account of environmentally hazardous firefighting water. Protection during firefighting Do not enter fire area without proper protective equipment, including respiratory protection. SECTION 6: Accidental release measures Isolate from fire, if possible, without unnecessary risk. 6.1. Personal precautions, protective equipment and emergency procedures General measures Centeral measures Isolate from fire, if possible, without unnecessary risk. 6.1. Personal precautions, protective equipment and emergency procedures Evacuate unnecessary personnel. Avoid contact with skin, eyes and clothing. Ventilate spillage are 6.1. Environmental precautions Protective equipment Equip cleanup crew with proper protection. Emergency procedures Stop leak if safe to do so. Stop release. Ventilate area. 6.2. Environmental precautions No additional information available 6.3. Methods and material for containment and cleaning up This material and its container must be disposed of in a safe way, and as per local legislation. 6.4. Reference to other sections Section 7: Handling and storage 7.1 Precautions for safe handling Comply with the legal requirements. Do not handle until all safety procautions have basen read and understood. Use personal protective equipment a required. Do not eat, drink or smoke when using this product. Do not eat, drink or smoke when using the product. Do not eat, drink or smoke when using the product. Do not eat, drink or

10.1. Reactivity

No additional information available

10.2. Chemical stability

No additional information available

10.3. Possibility of hazardous reactions

No additional information available

10.4. Conditions to avoid

No additional information available

10.5. Incompatible materials

No additional information available

10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

SECTION 11: Toxicological information

11.1. Information on toxicological effects

Acute toxicity	:	Not classified
Skin corrosion/irritation	:	Not classified
Serious eye damage/irritation	:	Not classified
Respiratory or skin sensitization	:	Not classified
Germ cell mutagenicity	:	Not classified
Carcinogenicity	:	Not classified
Reproductive toxicity	:	Not classified
Specific target organ toxicity (single exposure)	:	Not classified
Specific target organ toxicity (repeated exposure)		Not classified
Aspiration hazard		: Not classified
Symptoms/injuries after inhalation		: None under normal use.
Symptoms/injuries after skin contact		: Contact during a long period may cause light irritation.
Symptoms/injuries after eye contact		: Direct contact with the eyes is likely irritating.
Symptoms/injuries after ingestion		: Gastrointestinal complaints.
